

Maryland Medical Cannabis Commission (MMCC)

Eligibility Criteria

Medical Diagnosis for which the MMCC is encouraged to approve a medical cannabis ID card

- Severe/Chronic pain
- Severe nausea
- Severe loss of appetite or wasting
- Seizures
- Glaucoma
- Post-traumatic stress disorder

Medical diagnosis for which the MMCC will consider approval for a medical cannabis ID card

- Any severe condition for which other medical treatments have been ineffective and medical cannabis can reasonably be expected to help with symptom relief
